about this report

This audience report details print and digital activities for *Printwear*, based on industry-specific distribution and viewership. This report is produced monthly to provide certified data that is current and accurate, consistent with the integrity of the publisher's delivery and reporting protocols and disciplines.

The publisher collects specific business demographic detail for each individual recipient, renewable every two years. These criteria are used to determine audience distribution eligibility.

I. Magazine Highlights

a. magazine distribution minimums; rate base logic and methodology

Magazine advertising rates are based on minimum distribution to 30,000 active industry professionals, delivered in either print or digital formats, or both.

- Publisher may exceed the minimum guaranteed delivery without increasing advertising rates.
- Copies distributed in excess of guaranteed delivery may vary; those additional copies are considered bonus distribution and are not included in the logic to determine advertising rates.
- Electronic copies are sent consistent with standards set by the CAN-SPAM Act of 2003.
- Printed copies follow USPS Periodicals mailing guidelines and are reported and published annually with the publication's Statement of Ownership, in addition to the report herein.

b. april issue breakdown

Print copies delivered through USPS channels to subscribers and industry suppliers.....14,500
Digital copies delivered through electronic channels to subscribers and industry suppliers (did not receive the print copy)..... 19,276
Total Distribution this issue33,776

* in addition to the above digital numbers, 3,228 individuals received both the print and digital copies but are counted only once, as part of the print totals. These recipients meet publisher's audience criteria.
