## GAME DEBUTS ECONO-WORKWEAR LINE OF HI-VIS APPAREL SUPPLIER DELIVERS DURABLE HI-VIS LINE THAT WON'T BREAK THE BANK.

In an effort to deliver affordably-priced high-visibility safety apparel without sacrificing safety or durability, GAME Sportswear & Workwear recently rolled out its Econo-Workwear lineup with plans to expand the offering in the months ahead.

The Econo-Workwear line is made to hold up to the day-to-day rigors required in this apparel segment while maintaining an affordable price point, which will allow for the potential of higher initial quantity orders and more frequent replacement. The series includes popular features such as radio mic clips, extra pockets, non-conductive fasteners and more. Sizes range from S to 5XL.

### GAME'S ECONO-WORKWEAR SERIES AT A GLANCE

- **I-35 Econo Work Zone Vest** Available in mid-January 2019 in six colors: neon lime, neon orange, navy, black, red and royal. Non-ANSI Standard Vest with reflective stripes and made from lightweight polyester tricot. Vest has two inside pockets, one outside and a front hook-and-loop closure.
- **I-65 Econo Safety Mesh Vest** This mesh vest meets ANSI/ISEA Class 2 color standards and is made of polyester mesh and 2-inch silver reflective tape. The vest's inside pocket and front have hook and loop closures. Available in yellow or orange.

- **I-70 Econo-Safety Polyester Vest** This Class 2-compliant vest is made with a lightweight polyester tricot with 2-inch silver reflective tape and inside pockets with hook-and-loop closures.

- **I-678E Econo Vest** With woven and mesh polyester construction, this Class 3 vest is lightweight and fade-resistant. It includes a right chest radio pocket with four pen pockets, two front pockets with flaps and a radio mic clip on each shoulder.

- **865E - The Econo Hoodie** For comfort, safety and durability, this full-length zippered Class 3 hoodie fits the bill. Segmented reflective tape allows for easy movement and a generous cut of the 9.5-ounce, breathable spun polyester fabric allows room for layering or accommodating head gear. A black bottom (front only) reduces the appearance of stains.

- **1320E Econo Black Bottom Bomber** This full-length zippered Class 3 jacket with segmented tape is made of breathable polyester with a black bottom (front only) to reduce the appearance of stains. It includes a front chest pocket with cover closures, side pockets and inside zipper pockets.
